

BANK of ZAMBIA

PUBLIC NOTICE

**ALLOCATION OF INTERNATIONAL SECURITIES IDENTIFICATION NUMBERS
TO GOVERNMENT SECURITIES**

The Bank of Zambia wishes to inform the General Public and all investors in Government Securities that all outstanding Treasury bills and Government bonds have been allocated International Securities Identification Numbers (ISINs).

This has been necessitated by the introduction of the new Central Securities Depository (CSD) System that the Bank of Zambia will be using in the issuance and management of Government securities.

It is the Bank's view that the above changes will contribute to enhancing the development of the Government securities market.

A list of all outstanding ISINs for Treasury Bills and Government Bonds will be available on the Bank of Zambia website **www.boz.zm**.
